

September is National Recovery Month and Worcester County will go PURPLE to increase awareness and understanding of mental and substance abuse disorders and to celebrate those in recovery.

The Atlantic Club and the Worcester County Warriors Against Opiate Addiction are helping by joining together and hosting a "Walk for Recovery" on Saturday, September 7, 2019 from 2-5 PM on the Boards in Ocean City, Maryland. The Atlantic Club and the Warriors are both non-profit organizations operating in Worcester County:

Provides individuals the support necessary to live a healthy life in recovery and become an active member of our community. Offers 12-step programs and sober events. The Club is open 24/7, with a manager on duty at all times, to assist any individual seeking refuge from addiction.

It is the goal of the Warriors to erase the stigma surrounding addiction that makes it difficult for people to ask for help. We provide financial assistance to break down the barriers for people to get into treatment.
