

## Greetings Recovery Friends ~

We are delighted to announce that The Atlantic Club and the Worcester County Warriors Against Opiate Addiction, in conjunction with the Worcester Goes Purple initiative, are hosting a Virtual Walk for Recovery in 2020. Last year's walk was a huge success, raising \$11,000! Proceeds from the Walk for Recovery benefit members of the local recovery community, as well as those seeking refuge from addiction. Scholarships for individuals affected by addiction are also funded by the Walk.

The Virtual Walk for Recovery will be held during the month of September, National Recovery Month. Participants can walk Anywhere, Anytime! We feel it is our obligation to protect the recovery community we serve and practice social distancing during this extraordinary time. We would be honored to have you join the Walk as a sponsor to help bring awareness, resources, and solutions to addiction.

The current Pandemic has certainly changed all our lives, and addiction continues as an additional burden. We know times are tough for all. **TOGETHER...**we must continue to fight this disease of addiction that takes its toll on the health and economy of our community.

### **SPONSORSHIP LEVELS**
