

## Greetings Recovery Friends ~

We are delighted to announce that The Atlantic Club and the Worcester Goes Purple/Warriors Against Addiction are hosting an “On the Boards” and “Virtual Walk” for Recovery in 2021. Last year’s walk was a huge success, raising over \$10,000! Proceeds from the Walk for Recovery benefit members of the local recovery community, as well as those seeking refuge from addiction. Scholarships for individuals affected by addiction are also funded by the Walk.

We feel it is our obligation to protect the recovery community we serve and offer choices, while continuing to practice social distancing during this extraordinary time. On September 12, 2021 we will hold the Walk for Recovery starting at 9 AM on Ocean City’s Boardwalk. Participants choosing the Virtual Walk, may walk Anywhere, Anytime from September 1, 2021 till September 12, 2021. We would be honored to have you join the Walk as a sponsor to help bring awareness, resources, and solutions to addiction.

The pandemic certainly changed all our lives, and addiction continues as an additional burden. We know times are tough for all. **TOGETHER**...we must continue to fight this disease of addiction that takes its toll on the health and economy of our community.
